Each is engraved with her initials. Desperate for help and fearing that the police will be of no assistance, Calista turns to Trent Hastings, a reclusive author of popular crime novels. Believing that Calista may be taking advantage of his lonely sister, who has become one of her clients, Trent doesn't trust her. Scarred by his past, he's learned to keep his emotions at bay, even as an instant attraction threatens his resolve. But as Trent and Calista comb through files of rejected clients in hopes of identifying her tormentor, it becomes clear that the danger may be coming from Calista's own secret past, and that only her death will satisfy the stalker.
