

Unheard Sounds Flow On - Translated from the original Tulu novel by T K Ravindran K Mahalinga
2019-01-01 In spite of being one of the oldest members of the Dravidian family of languages, Tulu, unfortunately, has not yet found the recognition that it richly deserves in the modern world. Since modernity privileges the written over the spoken, the Tulu language that is abundantly blessed with oral literature has been placed on the fringes of modern literary world. Ironically, Tulu is still engaged in a desperate fight for official status in a country that boasts of its cultural and linguistic diversity. The motives behind the translation of Nanajjer Sude Tirgayer, hailed as the first modern Tulu novel, into English refuse to remain apolitical in this context. The novel, which has already been translated into Kannada, Konkani and Malayalam, beautifully captures the pulse of rusticity that characterizes the life of a village community that lived its life with its love-hate relationship with nature, more than 75 years ago in a Tulu speaking village in the south-western part of Karnataka. Besides bringing alive the socio-cultural practices that find

their articulation through the natural linguistic plurality ingrained in the village psyche, the novel touches upon the duality of human nature that leaves man perennially condemned to an inner crisis.

You Could Be the Winner (Volume - II) Ahmed Sayeed 2019-09-24 Truth is ever to be found in simplicity and not in multiplicity and confusion of things. I have just three things to teach or say: to the contemporary Humans that simplicity, Patience and compassion are the three building blocks of humanity. Simplicity and humanity are the ultimate sophistications of human civilization. They are the essence of happiness since great acts are made up of small deeds. All I have is a sense of duty toward all people and attachment to those with whom I have become intimate. Thus the next evolutionary step for me that mankind is to be more from man to kind. Earth provides enough to satisfy every man's need not everyman's greed. Hence I have taken up writing books to mould other beings to be humans not as savage since we Hominids were savage in early stage and now it is high time to turn out ourselves into humans. Simplicity, which is the essence of happiness, is great act of humans for doing small deeds. Right from retirement as an Audit Officer from the Office of the Principal Accountant General Audit Andhra Pradesh Hyderabad, on 01-07-2003, I studied LL.B, at the evening age of 60 to 69 years while writing certain controversial books like (i)“ Human Life-A Philosophical Audit, (ii) We Think Therefore We Are”, (iii)“My Mind is My Mosque” (iv)“ Tears of Terrorism” (v) “After all Whose Life is It any Way?”(a book on Euthanasia) (vi)“Know your India-Open a new Page for writing Nationalism” (for India's Nationalism) (vii) Paradise Lost (a real life story of a Jihadists killing his own mother in Syria for the sake of Blessing of Paradise by the Allah) (viii) “Spicy Trade” (How India was subjected to Invasion by Arabs, Europeans and finally tampered One India into Three viz. Pakistan, India and Bangladesh, (ix) “Father Turns Monster” (real story relating to a father to save his child by killing innocent peoples and plucked their organs like Lungs and Heart and used for Transplantation and replacement of his sons Lungs and Heart”) (x) “Tridevi Trident” (story relating to three sisters killing their father who became Psycho in raping the children including themselves and this is also a real story). I normally portray in a books only facts not fiction, poetry and no fairy tails. My aim is let the decide what is fact and what fiction and develop his personality accordingly since what ever that feels, perceives, desires expressions and emotions are all the offshoots of the Brain. The meaning of life is to take birth, to grow, to feed, to develop energy, procreate children and finally to die and merge into the womb of Earth as a piece of nuclei. That is it! Hence I did not show craze for the monetary returns but only to show the people how the realm of our Society is inflamed with monetary gains. This my story in short.

Ecofeminism and the Indian Novel Sangita Patil 2019-07-08 Ecofeminism and the Indian Novel tests the theories of ecofeminism against the background of India's often different perceptions of environmental problems, challenging the hegemony of Western culture in thinking about human problems. This book moves beyond a simple application of the concepts of ecofeminism, instead explaining the uniqueness of Indian novels as narratives of ecofeminism and how they can contribute to the development of the theory of ecofeminism. In examining a selection of novels, the author argues that Indian texts conceptualize the ecological crisis more as a human problem than as a gender problem. The book proposes that we should think of ecofeminism as ecohumanism instead, seeing human beings and nature as a part of a complex web. Novels analysed within the text include Kamala Markandaya's Nectar in a Sieve (1954), Shivram Karanth's Return to Earth (2002) and Na D'Souza's Dweepa (2013). Ecofeminism and the Indian Novel will be of great interest to students and scholars of ecofeminism, ecocriticism, ecological feminism, environmental humanities, gender studies, ecological humanities, feminist studies and Indian literature.
